

Henderson Speedie Bird Pink

The Henderson Speedie Bird features robust construction and a vigorous fluttering action that throws spray up to 65 cm (2 ft).

Prism tape on both sides disperses light into the water for added attraction. Large bird may be trolled up to 15 knots.

These teasers are undoubtedly the best teaser for Jumbo Yellowfin and Bluefin Tuna. Also great on Marlin and Sailfish.

Length 330 mm (13") Weight 190 gm.

Our teasers feature a top grade two pack marine paint system. Colourfast so no more fading in the sun, and extremely hard wearing.
