

Gunnell Mount Outrigger Bases. 40mm Henderson Australia

Henderson Australia Gunnell Mount Outrigger Bases are the perfect choice for boats between 16-25 feet in length.

They are designed to be suitable for nearly any boat and can be mounted on the gunnells, side of the cab, on a hardtop or even off the side of a rocket launcher.

These outrigger bases are designed for ease of use and reliability. The spline system allows them to be adjusted to approx 20 different positions, and the best part is they can be put up / down within seconds.

Suit 40mm Outrigger poles
