

12.5" Rubber Slapper - Silhouette Marlin, tuna teaser

The 12.5" Rubber Slapper are the ultimate silhouette teaser. Designed to raise fish from below into your spread. Perfect for switch baiting, live baiting or running in a spread of lures. They'll work at all speeds.

Excellent to run at the end of a daisy chain or even on a spreader bar / dredge. Also a very popular option is to rig them in the skirt of a large lure to make a great short corner teaser.

These are virtually indestructible rubber.
