

Disco Diamond Sword Fishing Light. Sword & Deep Drop fishing

Deep Drop Fishing LED Submersible Sea-Strobe Lights - 1 x Disco (changes colour continuously)

Designed for Sword fishing and Deep Drop.

Water activated with more than 250 hours of battery life and submersible to a depth of 3000 ft. Disposable - batteries are not replaceable.

Attach easily by threading your line through the loop underneath, or to modify rigs fast you can also cable tie these to your existing rigs.

We recommend the use of two of these Sea-Strobe Deep Sea lights on sword fishing leaders to act as a highway to your bait.
