

Slayer 7.5". Awesome Game Fishing Lure. #1 Trolling Lure

The Slayer was first tested on the Kiama Canyons NSW. Within 20 minutes of dropping it in the ocean we had 3 strikes from Yellowfin Tuna.

At 7.5 inches long these Game Fishing Lures are perfect for either Tuna or Marlin, and will also take large Dolphin fish.

Guaranteed to catch fish or your money back

This Slayer has one of the latest 3d printed heads, utilising the last technology in our lure making.
