

# 14" Katana Marlin Lure. Paua Head. BIG Marlin Lure

The Katana has a unique design that gives it an action that Marlin can't resist.

It is a plunger design but with a slightly narrower head that gives the lures more wobbling action than a normal plunger lure.

This colour is especially effective on Marlin and Big Yellowfin Tuna.

This lure would suit a 10/0 Stainless Steel Game Fishing hooks and 300lb Japanese Grade Game fishing Leader.

Each lure comes with a handy lure bag.
