

## 8" Demon Hex Jet. Wahoo, Tuna, Mackerel Trolling Lure

### 8" Demon Hex Jet

High Speed Trolling for Wahoo, Tuna and Mackerel is made easy and super successful with the Demon Hex Jet.

At 8 inches / 20cm in length and 150gms they are made to run at speeds of 7-18 knots and when chasing big toothy fish like Wahoo the faster the better!

They have a deep cup face and jet holes that make them hold the water tight coming up every few seconds before diving back down and swimming like a fleeing fish.

Length: 8 inches / 20cm  
Weight: 150gms

**Price: \$29.50**
