

Pakula Shaker Jet. Evil Angel Deadly Short Corner Lure

The Shaker is the updated version of the original Beer Barrel. Though smaller in size this lure has indeed out performed the original.

It is the rough weather master, working in all sea conditions in all trolling positions, though it is primarily a short rigger and short corner lure.

It has a violent head shake action creating maximum sonic vibrations that fish find irresistible.

Target Species: Black, Blue and Striped Marlin. As well as Mahi and Large Yellowfin.
