

Original Trick Bait Lure 11cm 41grams - TUNA KILLER (Rigged)

The Trick Bait lure is made by Shimano and is part of the Scorpion Ocea series.

These high quality lures are made in Japan.

The Trick Bait contains realistic eyes and bait fish like features to make them look as realistic as possible.

You can Cast, Jig, Crank and Troll this lure.

This lure works in all depths and contains a unique tow point for maximum action.

We recommend to wind it fast, pause, then jerk the rod to give the wounded bait-fish a flutter type of action.
