

Wahoo Torpedo - 11 inch Deadly High Speed Wahoo Lure!

The Wahoo Torpedo is the HOTTEST new Wahoo Lure available. These ultra sleek torpedo shaped lures are made the run hard and fast. They are the perfect lure to run when you're doing long distance out to the reef, heavy tackle grounds or between spots.

Tow this badboy at any speed you like..... 10-12 knots is just walking pace for Wahoo. Drop it back a another 10m or so and step up to 15-18knots and this lure really comes into it's own.

Make sure your ratchets on when towing this lure, it's going to really sing when a 20kg Wahoo has it for dinner!

Fishing for Blues? Stripies? Yellowfin? Big Bluefin? This lure is your perfect shotgun. It doesn't require the tuning of others, just runs nice and straight and throws a nice bubble trail! At 7 knots this lure will sit happily in your spread all day!

The quality of this lure is the same you'd pay \$70 for a Black Bart, guaranteed you will be super impressed.

Length 11 inches

Weight 140grams

All rigging options on this lure contain 49strand wire in skirt to avoid bite offs. We suggest the single hook 7691 hook for high speed trolling.

Price: \$29.98
